44                   **AMENDED ORDER OF JUDGMENT**

45                   Complaint Filed: March 12, 2014

1           Defendants McDonald's Corporation and McDonald's USA, LLC hereby give notice to  
 2 the Court, all parties, and their counsel of record that the Amended Order of Judgment entered on  
 3 March 28, 2017 (Docket No. 276) contains an error.

4           On March 27, 2017, without conferring with McDonald's, Plaintiffs filed their  
 5 Administrative Motion to Correct Judgment (Docket No. 275) requesting that the Court "clarify  
 6 that the judgment [Docket No. 274] applies to only Defendants McDonald's Corp., McDonald's  
 7 U.S.A., LLC, and McDonald's Restaurants of California, Inc." (Docket No. 275 p. 2:5-8.) The  
 8 Court subsequently entered an Amended Order of Judgment providing that "[p]ursuant to the  
 9 order entered on March 10, 2017 granting the second motion for summary judgment from  
 10 McDonald's Corp., McDonald's U.S.A., LLC, and McDonald's Restaurants of California, Inc.  
 11 ('Defendants') and the order entered on August 16, 2016 granting Defendants' first motion for  
 12 summary judgment, judgment is hereby entered against Plaintiffs and in favor of Defendants."  
 13 McDonald's Restaurants of California, however, was dismissed from this action pursuant to the  
 14 stipulation of the parties on May 6, 2016 (Docket No. 86) before either motion for summary  
 15 judgment was filed. Additionally, only McDonald's Corporation and McDonald's USA, LLC  
 16 moved for summary judgment and were subject to the August 16, 2016 or March 10, 2017 orders  
 17 granting those motions. Therefore, the reference to McDonald's Restaurants of California in the  
 18 Amended Order of Judgment is an error.

19           Pursuant to Federal Rule of Procedure 60(a), "[t]he Court may correct a clerical mistake  
 20 or a mistake arising from oversight or omission whenever one is found in a judgment, order, or  
 21 other part of the record." Fed. R. Civ. P. 60(a). McDonald's Corporation and McDonald's USA,  
 22 LLC hereby request that the reference to McDonald's Restaurants of California in the Amended  
 23 Order of Judgment be stricken and that the Amended Order of Judgment provide that "Pursuant to  
 24 the order entered on March 10, 2017 granting the second motion for summary judgment from  
 25 McDonald's Corp. and McDonald's U.S.A., LLC ('Defendants') and the order entered on August  
 26 16, 2016 granting Defendants' first motion for summary judgment, judgment is hereby entered  
 27 against Plaintiffs and in favor of Defendants."

1 Dated: April 5, 2017

Respectfully submitted,
